WHAT IS CHSP?

CHSP is a funding subsidy programme by the Australian Government.*

It enables Senior Australians requiring low-level or short term support to access services that help maximise their independence whilst living safely and comfortably in their own home.

IS CHSP FOR ME?

CHSP is available to those who are:

- Requiring short term or low-level support – CHSP funding is available until your needs increase at which time you will transition to Home Care Package (HCP) funding.
- Over 65 years.
- Over 50 years (or over 45 years for Aboriginal and Torres Strait Islanders) if on a low income, are homeless or at risk of being homeless.

***Please note:** the subsidy programme does not necessarily fund the full cost of services, so each person may pay a small contribution for each service that is delivered. Your coordinator will discuss this when we commence services.
