

Our Mission

*Catholic Healthcare promotes life in all its fullness
by providing aged, health, and community services
inspired by the Catholic tradition*

The Mission of Catholic Healthcare expresses the healing ministry of Jesus Christ. Our service to Australia's ageing community, particularly the vulnerable and disadvantaged, reflects the love and compassion defined by Jesus in the story of the Good Samaritan. We uphold the intrinsic dignity of all those we serve by focusing on holistic person-centred care that engenders life to the full. This Mission continues the tradition of providing care and support to people of all faiths, backgrounds and ethnicities.
