Located in the heart of Croydon, The Brighton is only minutes away from shops, restaurants, cafés, health services, parks and public transport. The community centre offers a welcoming place for residents, their families and friends where they can enjoy the private theatre, plunge pool, courtyard and large dining area.

With 101 apartments across five stunning buildings designed by internationally acclaimed architect Leo Campbell, you will love the warm décor, stylish furnishings and abundant natural light.

We work towards creating a warm and inviting space that caters to your personal and social needs by offering the opportunities to participate in group outings and activities.
