

Royal Commission Update

The Royal Commission into Aged Care will be hearing evidence in Sydney in the weeks of 6 and 13 May 2019. We understand that the focus will be on residential aged care with particular attention to the needs and care of persons with dementia.

Residents, clients or carers who have questions or concerns are invited to speak with their Manager who will be happy to assist.

With a focus on continual quality improvement, Catholic Healthcare is committed to the provision of quality and compassionate care. Our Values of Compassion, Honesty, Hospitality, Respect and Excellence underpin everything we do. All Catholic Healthcare Residential Homes and Community Services are fully accredited.
